

The reviewers have carefully selected these 50 researchers whose submitted abstracts achieved high scores to grant the Presidential travel support.

The cash prize of JPY 80,000 will be handed to the winners at the symposium.

In addition to the Presidential travel support, we are going to announce 5 receivers of the best poster award who give excellent presentations. For those who have not been selected this occasion, do hope for the best poster award!

Drosou, Maria Eleni (United States)

Lavatelli, Francesca (Italy)

Moreira, João P (Portugal)

Dittrich, Tobias (Germany)
